Per session cookies	Minimal usage
Access data sources across domains	Recommended for external content

Whilst the content within the virtual campus has been developed to operate on a wide range of devices and internet browsers, there will be certain third party content external to the campus which may have restrictions with regards to the devices or internet browsers they will operate on. Unfortunately, NHS Leadership Academy cannot be responsible for content outside the campus.

The virtual campus and its content, unless otherwise stated, is copyright NHS Leadership Academy.
